He has opportunity in the reining arena, ranch horse shows, reined cow horse or the roping pen. He stalls well, but has seen paddocks and pasture. Rides straight out of the stall with time off or catch in the pasture, he's the same. Hauls well, stands for the farrier, patient when tied. If you need a step-up horse in the arena or a horse to use outside, he'd suit. Lots of upside in this young pretty gelding. (816) 289-6559

NOTES: Pearl is a 3-year-old buckskin mare that has all the looks, talent and pedigree everyone looks for in a young horse. She stands 15 hds. This mare is gentle and very easy going - she has no buck or silly business. She is sound and stays the same if you ride her every day or once a month. Pearl is making a great head horse in the roping arena and with her speed, athleticism and big stop she is also coming along well on the heel side. Her sire PLAYTONIUM has won \$20,050 in the NCHA. She is very broke and ready for the whole family or to continue her career in competition. (417) 288-1724

I picked up on her some at college, as well as dragging calves, catching outside cattle, etc. She is one hand broke, absolutely easy to get along with. She will lope the barrel pattern and our kids have ridden her on trail rides and in the parades. We have bred her to two different stallions and raised palomino fillies out of her both times. NOTES: Major is a big, stout bay gelding that is going well on the head side. I have started hauling him - he has been doing well and is ready to go win. This horse has all buttons and runs to a cow, is stout to the horn and can face. He has been used outside on the ranch and to gather, sort, and rope cattle in pasture as well as drag calves. He is cinchy when saddled - jip him a few circles on end of the lead rope each direction, step on him and he's good to go. The whole family rides him from my 5-year-old all the way up. 2022 Red Roan Gelding

NOTES: Good young horse that we really like. He's started right - always gentle, and has had an all day job at a feedyard in west Texas. Gentle in every way. Built perfect and super cool looking. He has been around kids, is easy to catch, saddle him up and go use him. His sire was a Peppy San Badger X Flying X6 and a mexican mare dam. Buy him today and he will be a keeper for 20 years. Good, honest gelding. UTD on dental work, dewormed, shod around. (417) 316-0023

NOTES: 9-year-old bay gelding with a true working resume. He's been used on the ranch, in the feedyard & stockyards, and has been put through the kinds of situations that make a dependable working horse. He's roped, sorted, gathered and worked cattle and has plenty of experience outside of the arena. He has a big motor, plenty of speed, and is athletic and handy. He can also come back down and lope slow and nearly in place when asked. Sancho has a sweet personality and a good work ethic. He is the kind of horse that wants a job and has plenty of try. He does not buck, bite or kick and is enjoyable to be around and handle. (785) 262-7861
